Dear Parents/Guardians

RE: Yr 8 - Geography Field trip – Sustainable Places unit of work

The Geography Department will be taking pupils into Salisbury for a field trip, as part of their curriculum, for half a day during their normal school day. The fieldwork will be carried out in the centre of Salisbury and the students will be investigating the quality of life for both local people and tourists using a range of qualitative fieldwork methods.

Please note school uniform must be worn, however, the weather can be unpredictable and we recommend a sun hat, sun screen, water and a rain coat if necessary.

Dates and periods are as follows:

- Tuesday 25 June – Periods 1 to 4 - 8M
- Tuesday 25 June – Periods 5 to 8 – 8O
- Wednesday 26 June – Periods 5 to 8 – 8W
- Friday 28 June – Periods 1 to 4 – 8P
- Friday 28 June – Periods 5 to 8 – 8J

Your son will be covered by the school's insurance; a copy of which is available on the school website. Please ensure that we have current emergency contact details and details of any medical conditions and that your son takes all necessary medication with him on this trip. These details can now be checked through the Insight Parent Portal, otherwise please contact Mrs Sarah Hayward sah@bws.wilts.sch.uk to update your son's information.

Yours sincerely,

A J Toner
Head of Geography
