Head Master: Dr S D Smallwood BSc (Hons) PhD NPQH

6th June 2019

Dear Parent/Carer,

Your son has been identified as a pupil who would benefit from some extra academic support with his mathematical studies. This has been based on his performance during the previous academic year, including his End of Year exam result.

Therefore, starting in September, we would like your son to take part in our academic support programme in which he will be paired up with a Year 12 mentor (all carefully selected from our A level Mathematics' students) who will provide him with a weekly lunchtime session in which they can complete some extra work provided by his teacher, and help in any areas of mathematics in which he is struggling.

In previous years, this has proved to be of great benefit to our boys, both building their confidence in the subject and providing them with a point of contact, other than their teacher, whom they can approach for help. **Membership of this scheme requires commitment from your son to attend one weekly lunchtime session.**

We hope that you and your son will fully support us with this programme, and that we will all see the benefits in the months to follow.

Please could you either email me on jb@bws.wilts.sch.uk or return the slip below to your son's maths teacher with your response. Please feel free to email me if you have any concerns or questions about this mentoring scheme.

Yours sincerely

Mrs Jackie Barrett
Head of Mathematics
jb@bws.wilts.sch.uk

Please return to Mrs Barrett by Friday 21st June 2019 (or email response)

Please delete as appropriate:

I am happy for my son to take part in the mathematics mentoring scheme starting in September 2019 / I would like to decline this offer of mathematics mentoring for my son.

Signed:

Son's name and form
