Dear Parents

Mathematics Information Evening for Year 7 Parents Wednesday 18 October from 7.00 pm until 8.30 pm

This event has been organised by the Mathematics Department at Bishop Wordsworth's School for parents with sons in Year 7.

The aim of the evening is for you to find out more about the work in mathematics that your son will undertake in Year 7. We will also inform you of strategies that you can employ to help your son with his mathematical studies. It is also an opportunity for you to meet your son's maths teacher.

During the evening you may be set one or two problems to solve and therefore you may find it useful to bring a pen. Don't worry though, because you will not be asked to present your solutions for marking!

I hope that you will be able to attend, as I'm sure you will find the evening fun, as well as informative. Please can your son return the slip below to his maths teacher (deleting as appropriate) by Friday 6 October.

Yours sincerely

Jackie Barrett
Head of Mathematics
