Dear Parents/Guardians

Re: *Geology Field Course to Lulworth Cove*

The Geology Department is planning to organise the following visit for Year 12 pupils to Lulworth Cove. The trip offers students a superb opportunity to see some of the South Coasts most dramatic geology including the World Heritage sites of Stair Hole and Durdle Door. As part of this field course we will be completing a number of practical exercises as part of the PAG's required by the Geology specification, as such this trip is an essential part of the course and we therefore do expect your son/daughter to be in attendance.

Date	Visit to	Contribution	Details of visit	Times	Requirements
6.11.17	Lulworth Cove	£10.00	Geology field course	Leaving (prompt) 08:45 Returning approx. 17:00	Please bring packed lunch suitable for a day in the field. Clothing must be appropriate for the time of year, i.e. multiple layers are essential . Equally sturdy footwear is necessary given the terrain. Please be advised that the field course will take place regardless of the weather therefore waterproofs are essential.

Deadline for payment: Monday 30 October 2017

PAYMENTS:

Please pay online via: www.scopay.com. If you need a link code please email amh@bws.wilts.sch.uk (link codes are only needed for online account set up).

No pupil will be barred from the trip on account of non-payment, but we ask for this contribution such that the trip will be cost neutral to the school.

Your son/daughter will be covered by the school's insurance during this trip; a copy of which is available on the school website. Please ensure that we have current emergency contact details and details of any medical conditions and that your son/daughter takes all necessary medication with them on this trip. For BWS students, please contact Mrs Sarah Hayward sah@bws.wilts.sch.uk if you need to update your son's details.

Yours faithfully

Mike Thorne

Head of Geology
