Dear Parents / Guardians

## Re: Spanish Film Study Day, British Film Institute, London - "Almódovar on the Edge"

The Spanish Department is planning to organise a visit for Year 12 pupils to a Spanish Film Study Day at the British Film Institute, London. It will be a fantastic opportunity to hear from experts on Spanish film (University lecturers from London School of Speech and Drama). Sessions are about the Spanish director Almódovar's films that have been set for the A level examination. We will also watch commented clips and a whole film in the afternoon.

This will be vital to help you prepare to write about his films in your A level examinations, and is also a useful introduction for those thinking of studying languages at University.
