Dear Parents/Guardians

I am writing to inform you that we are holding another parent information evening on **Wednesday 22 November at 6.30pm in the Drama Studio**, for those interested in the 14 day overseas expedition to Swaziland in July 2018.

Our students had the opportunity to watch an inspirational presentation in school from an organisation called True Adventure. They organise life-changing expeditions around the world for young people. What sets this apart from other school trips is that the students will have the added responsibility of fundraising to secure their place on the team and they will lead the expedition whilst in Swaziland. The school has previously travelled with True Adventure, with students venturing to Cambodia and India in recent years.

I am very excited about the opportunity this will give students to do something really unique that will make them stand out from the crowd. The expedition experience will provide them with a wealth of new skills which they will find invaluable in school, at university and in the world of work.

The students who have seen the presentation have certainly had their eyes opened to the possibilities that lie ahead for them if they decide to take part. I would like to invite you to join us in school for an information evening, presented by True Adventure, where you too will have the opportunity to hear all about the amazing challenges that your son will have the chance to experience on our own school expedition.

It will be an informative and interactive presentation with plenty of opportunity for questions. There will be lots of information on how the students will raise the money to take part in this expedition, what they will do whilst overseas, the safety and back-up on the expedition and the benefits they will derive from taking part.

I do hope you and your son are able to come along.

Yours faithfully

Natalie Steer
