Dear Parents / Guardians

Re: Year 7 Planetarium visit

Each year we host a mobile planetarium which is always of great interest to the boys. This year the Planetarium will be visiting us on Friday 29 June. The purpose of this activity is to broaden the knowledge and enthusiasm for the space section of the Year 7 Science curriculum that the boys will study in the summer term.

You may wish to visit the company's website at www.spaceodyssey.co.uk

Each teaching group will get two sessions inside the dome, each lasting just over one hour. The cost of this activity equates to £5 per pupil and we ask for a voluntary contribution to cover the cost of the two sessions.

We would like payments to be made by Friday 25 May please.

Please pay online via: www.scopay.com If you need a link code please email amh@bws.wilts.sch.uk (link codes are only needed for online account set up). No pupil will be barred from the visit on account of non-payment, but if total payments do not cover the cost of the visit then regrettably it will have to be cancelled.

Yours sincerely,

Dr Emma Baker

Director of Science/Head of Chemistry
