Dear Parents/Guardians

I have pleasure to announce that we have once again been invited to use the facilities at the Manningford Trout Fishery, Pewsey, so the boys can learn how to fly fish. This is an excellent opportunity to try a new activity at a very special local venue. The trip last year was hugely popular and very successful. Hopefully it will prove to be popular once again. I am limited to 30 places (two minibuses), however should there be a lot of interest then I would look to do two separate trips. Places will be secured on a first come first served basis. At the moment I will be going on Wednesday 11 July and we will be departing around midday and fishing till 5.30pm approximately

Essentially, the package will be based on a day pass allowing the boys to fish all 3 lakes. Two of these are catch and keep lakes, so some of you may hopefully have a fish supper!! Members of the club will be accompanying the boys throughout the afternoon, guiding and coaching and untying knots! All equipment will be provided but if any boys have their own then they are fine to bring it. Our hosts will also include a Barbeque supper as part of the deal. The trip cost will be £31.

Angling novices and experienced anglers are more than welcome.
