Dear Parents

LATIN GCSE FROM SEPTEMBER 2018

We have been offering Latin GCSE as an extra subject outside the Middle School curriculum and plan to offer it again this year and your son has shown an interest in it. The course will run as an additional subject to the existing core and option subjects your son will take in Years 10 and 11. The course will take place as an extended twilight session after school at BWS once a week for an hour, on a Tuesday, although the final details are subject to confirmation. There would also be about one hour of homework each week. As Latin will be an extra subject for your son, the workload should not be underestimated and he will need to be organised and self motivated. The cost for this extra GCSE tuition and textbook will be £250.00 per academic year.

The lessons will be taught by Mr I. Owen and he will follow the OCR specification.

In order to plan for this course, we will require a firm commitment that your son would like to be considered for it and that he understands that he is committing himself to a two year course to GCSE at the end of Year 11. Please complete the slip below and return to Mr Owen at School by **Monday 18 June 2018**.

Yours sincerely,

Mr I Owen
 Head of Classics
